

# QUALITY THAT YOU EXPECT

WE ARE THE **USA** MANUFACTURER THAT HAS CONTROL OVER EVERY PROCESS IN PRODUCTION FROM START TO FINISH.

We provide the best quality product available in our 60,000 SQ. FT. manufacturing plant in Marion, IN with a workforce that averages 25 years in Holiday Decor production. We fabricate the frames in house, produce our own garland, and assemble the product with care and pride.

We provide the best quality Electrostatic powder coating product available in our coating plant in Marion, IN. We utilize the latest technology in pre-wash and coating equipment in the industry to ensure a high quality finish.

We offer a complete line of banners for all occasions and budgets. If you have a special event, let one of our graphic artists assist in turning your ideas into eye-catching banners. Our nylon and polyester flags hold up even in the toughest elements. As with all our products, they are crafted with pride in the USA.

# Don't Just Buy Garland

## Purchase An Investment For The Future

Our garland contains more material than any other manufacturer of exterior garland in the industry. We use a full 8 FEET of two-ply, UV stabilized polyvinyl chloride (PVC) film to each foot of finished product for a fuller, brighter and longer lasting product. Our garland is twisted around an annealed galvanized wire to prevent rusting and to enhance its flexibility. Our garland is processed with an inner web equaling 10% of its final diameter resulting in its outstanding durability and longevity. These quality features are why we can offer its three (3) season warranty under normal conditions of use and service.

**METALLIC GARLAND IS AVAILABLE IN EITHER GOLD OR SILVER.**

GP Designs Inc. is the leading manufacturer of holiday displays. We pride ourselves in creative designs and quality products. The quality begins when the steel is produced to the highest applicable ASTM standards and welded by our AWS certified welders. A durable plastic powder coating is applied to the steel frame. Then we apply commercial grade wiring, which is secured by our heavy-duty plastic clips and nylon ties.

Our attention to detail, quality and professional customer service is why we are the leaders in the industry and why you can depend on us for your creative holiday projects.

GP Designs Inc. retains the right to substitute style and/or color of bows, bulbs and ornaments without prior notification due to inventory availability.

GP Designs Inc. warrants to the original buyer that all of our displays and accessories will be free from defects. This warranty extends only to the original buyer when authorized by the factory once full payment has been received. Under normal conditions of use and service, this protection is extended for six (6) seasons on all frames and mounting hardware, three (3) seasons on garland and electrical wiring, and one (1) season on all computerized lighting modules. This warranty does not apply to banners, flags, bulbs, and ornaments. Pole mount displays are designed to withstand up to 50mph winds with no ice load. This warranty is expressly in lieu of all other warranties expressed or implied. Under this warranty, the company's obligation to repair or replace is on a pro-rated basis.

Cost of shipping and labor to install are not included in this warranty. Bulb burnout or electrical damage caused by the buyer or weather elements is not covered by this warranty.

Acceptance of merchandise by the carrier constitutes delivery by the manufacturer. The purchaser must file claims for goods lost or delayed in transit within ten (10) days to the delivering carrier. Claims for damaged items or shortages due to carriers must be noted on the freight receipt at time of delivery.
